

## Student Search

The screenshot shows the Proliftic Elementary Dashboard. At the top left is the Proliftic by Sourcewell logo. To its right is a search bar labeled "Search for a Student" with a magnifying glass icon. A red arrow points to this search bar. Below the search bar is a header that says "Elementary Dashboard: Hello, [redacted]". On the left side is a vertical navigation menu with icons for home, user profile, reports, students, goals, location, and settings. The main content area is divided into two sections: "Attendance" and "Screenings".

**Attendance** section: A line chart showing attendance percentages for two school years: 2025-26 (teal line) and 2024-25 (purple line). A dashed green line represents the "Attendance Goal" at approximately 92%. The chart shows that in 2024-25, attendance was consistently above the goal, while in 2025-26, it fluctuated around the goal. A "View Details" link is present. Text above the chart says "Click and drag to zoom in." The last updated date is 10/23/2025.

**Screenings** section: A donut chart showing a completion rate of 88%.

To locate a student in Proliftic, use the search feature at the top left of any page. Enter the student's name or part of the name and press return. This will display a list of students whose names match the entered letters. Select a student's name to access their profile page.

- The list will contain students enrolled in the site associated with the user's login.
- Only students to whom the user has access will appear in the list.
- The list will display only students who have an active enrollment status.
