

## Logging In for the First Time

Create your password and log into Proliftic by following these steps.

1. Launch your preferred browser and navigate to **app.proliftic.org**.
2. Click “**Forgot your password?**” on the login screen.

3. Enter your district email on the Forgot Password screen and click "**Reset Password.**"

4. Check your district email, including the junk folder, for a message from Proliftic.
5. Open the email and select the password reset link included.
6. After resetting your password, you will be able to access Proliftic by logging in with your district email address and the newly created password at **app.proliftic.org**.
